City of Lebanon City Manager's Office

51 N Park St, Lebanon, NH 03766 (603)448-4220

For Immediate Release

The Lebanon City Council is pleased to announce the appointment of Paula Maville as the City's Interim City Manager effective June 20, 2016. Ms. Maville has been employed with the city for 30 years. She has held the position of Deputy City Manager for 3 years, served as Interim City Manager following the retirement of Greg Lewis and is currently serving as the Acting City Manager. The Council believes that the City's top priority must be to allow its department heads and other staff to focus on the forward momentum of the tasks outlined in the City's current work plan. Such focused attention will allow for the construction of a fiscally responsible budget to be presented to the City Council and to the public in approximately 4 months. Acting City Manager Maville has the knowledge and experience to shepherd the process to a successful completion and the Council welcomes the opportunity to continue to work with her on these important tasks. The Council will further consider the time frame and nature of the search for a permanent manager as work on the next budget is completed.
