NOTE1: DPW = Department of Public Works; LFD = Lebanon Fire Department; AIR = Municipal Airport Department; REC = Recreation and Parks Department; and CM = City Manager. NOTE2: The City's fiscal year is the calendar year; the Lebanon School District is on an optional fiscal year basis ending June 30. The dollar criteria for inclusion as a Capital Improvements Program project for the Lebanon School Districts differs from the City; the City uses a \$50,000 threshold; the School District \$10,000. NOTE3: Estimated amounts for the DPW Downtown Visioning and Tunnel (2016G09), DPW South Main Street Bridge #062-117 (2017G17), REC Mascoma River Greenway (2017G18) projects are unknown at this time. NOTE4: Information used is that provided last year by the School District which is evidently the most current information available at this time. Projections by year are through fiscal year ending (June 30) 2019; \$12,890,000 was noted as deferred outlays in the District's June 30, 2013 CIP.
